

IAFFE Travel Support Application
Application deadline: March 15, 2008

IAFFE aims to foster the diversity of the geographical representation and perspectives at IAFFE conferences. To that end, each year IAFFE raises funds to help presenters offset some of the expenses of travel associated with attending our Annual Conference. IAFFE members from developing and transition economies, including Eastern Europe and the former USSR, are encouraged to apply for funding.

The amount of monies that IAFFE raises each year varies and, unfortunately, never is enough to cover the expenses of all applicants. We encourage you to seek additional funding sources.

1. A current curriculum vitae must be included with your travel support application.
2. Abstracts must be submitted prior to submission of a travel application, as your Conference Maker Paper ID # is required on your travel application. It was (will be) provided to you with your submission confirmation.
3. Completed papers must be uploaded to Conference Maker by March 15.
4. Priority will be given to IAFFE members.

Submit applications to Torino@iaffe.org
