

## 2012 Hotel/Lodging Guide

There are many options to choose from when selecting a hotel in Barcelona. Below are a listing of recommended hotels and hostels that has been prepared by this year's local organizing group. They have tried to provide a list that includes various prices and quality of accommodation.

### Hotels within 2 to 5km of the Conference Site

*\*the prices listed are not guaranteed and will likely increase as next summer approaches. They are listed simply to provide a general idea as you search.*

*\*\* Each listing has a letter in the second column. That letter corresponds to a letter on the google map image below and will give you an idea of which hotel is close to the conference site.*

*(The conference site is listed as "A" on the map)*
